LEBANON: Terrorist Threat

A caller claiming to represent the Islamic Jihad Organization told the French press agency in Beirut Monday there would be an attack in the next few days "more spectacular than the recent action against the US Embassy," [redacted]

(b)(1)
(b)(3)

[redacted]

Comment: Those responsible for the Embassy bombing have the capability for further operations against US or other Western facilities or for more limited attacks against contingents of the Multinational Force. At a minimum, the attack on the Embassy will continue to inspire threats against US facilities and personnel in coming days.
